Dear Mr. Camp:

I want to express the appreciation of Messiah United Methodist Church and the Board of Trustees for the exceptional work your company did repairing our Narthex wall. Larry Kempler and your workmen were courteous, professional, and did outstanding work. Your workers completed the work specified by the structural engineer on time and under your original estimate. As a result of their efforts, the structural problems with our Narthex wall have been corrected and we will now be able to reinstall our stained glass windows with confidence. It has been a great pleasure working with a company as honest and proficient as yours.

Very truly yours,

Donald J. Hallager
Chair, Board of Trustees
Messiah United Methodist Church
